

# Guardian Angels for Special Populations

January 25, 2020

Dear friend of Special Populations,

We are preparing for our annual fundraiser the 12<sup>th</sup> Annual Fashion Show & Auction to benefit Special Populations. It's not your everyday fashion show- where you are enticed to purchase fashions worn by models. At our show the models are all participants in the programs at Special Populations and have special needs. The ladies and gents modeling outfits of their choice are so excited to show how beautiful & handsome they are in the new outfits. For them it's a chance to wear clothes that they might not otherwise ever buy. And "show-off their new look" for our large audience. Trust me when I say there's not a dry eye in the house. Our guests have sold out this event for the past three years.

To defray the costs of this event in our Fabulous new venue "the Westin Resort" in Marina Village, Cape Coral, we need sponsors. There are many levels of participation.

May 23, 2020 The event features our Special Populations Models, a gourmet luncheon, numerous Fun games of chance, Live, Silent and Chinese auctions, and more including several surprise's.

If you would consider a sponsorship at any level, we will promise to inform our guests of your generous support of our neighbors with Intellectual and Physical disabilities. This event raised funds for participant scholarships, wheelchair accessible vehicles, daily program need and much more.

Won't you please take a moment and look at the attached sponsor levels and sign-up today. Simply give us a call or send an email and we'll contact you for the information needed about your business. You will also be able to include an item in the Guest Gift bag.

Your generous assistance will allow the Guardian Angels for Special Populations to continue our mission of supporting these very special, deserving individuals, enabling their continued attendance in our educational programs. And provide the program with funding for its special operational needs

Thank you in advance for your kind consideration.  
Sincerely,

Mick Sheldrake, President  
Guardian Angels for Special Populations

Vincent Marcucci, Past President & FAS Chair  
Guardian Angels for Special Populations
